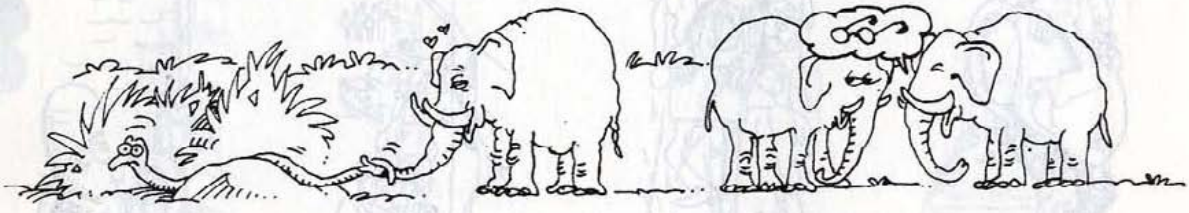
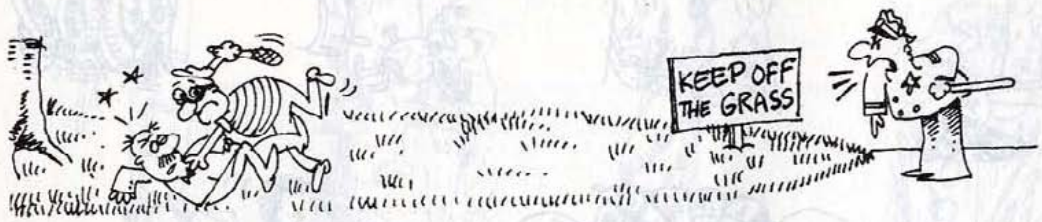
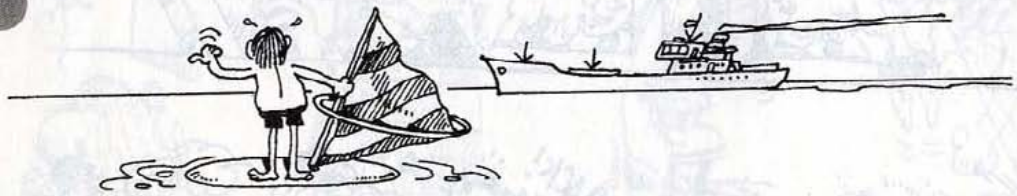
SERGIO ARAGONÉS MARGINALS XL

Throughout his unfortunate career at MAD, Sergio Aragones has drawn well over 4,700 "marginals." That's what we like — quantity over quality! Actually, we enjoy Sergio's pantomime gags so much that we've decided to show you some of his classic cartoons in the larger size he originally drew them. So throw away that monocle and enjoy!

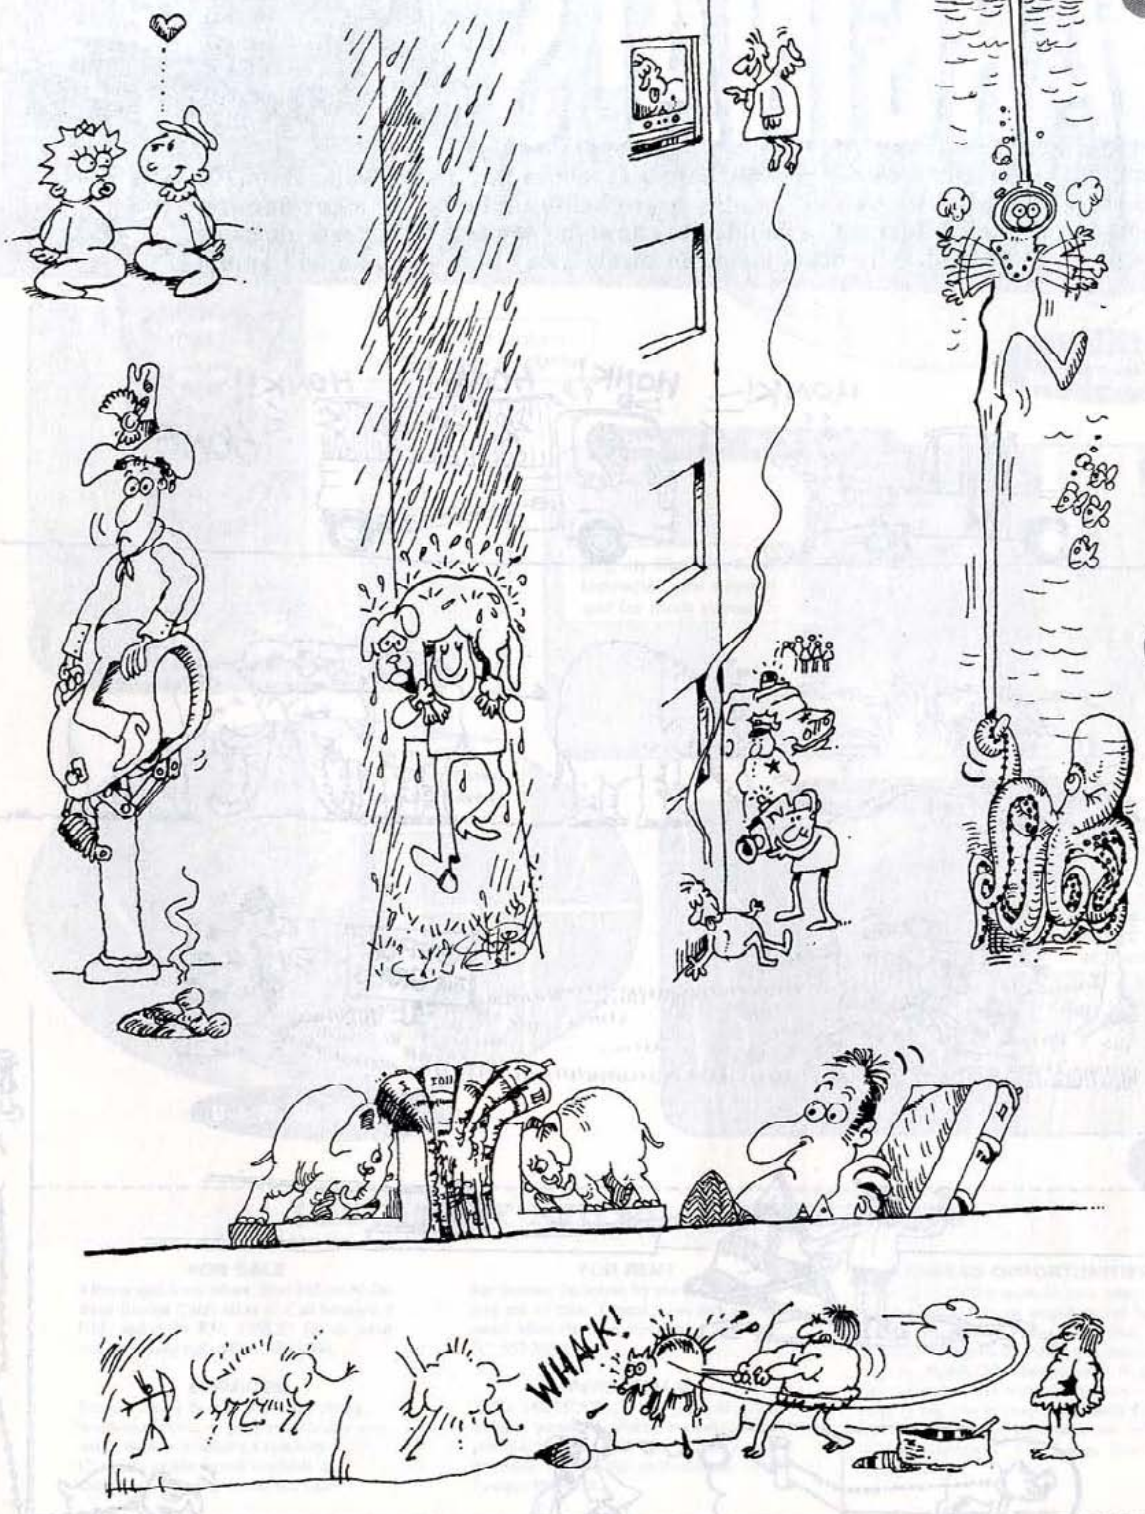


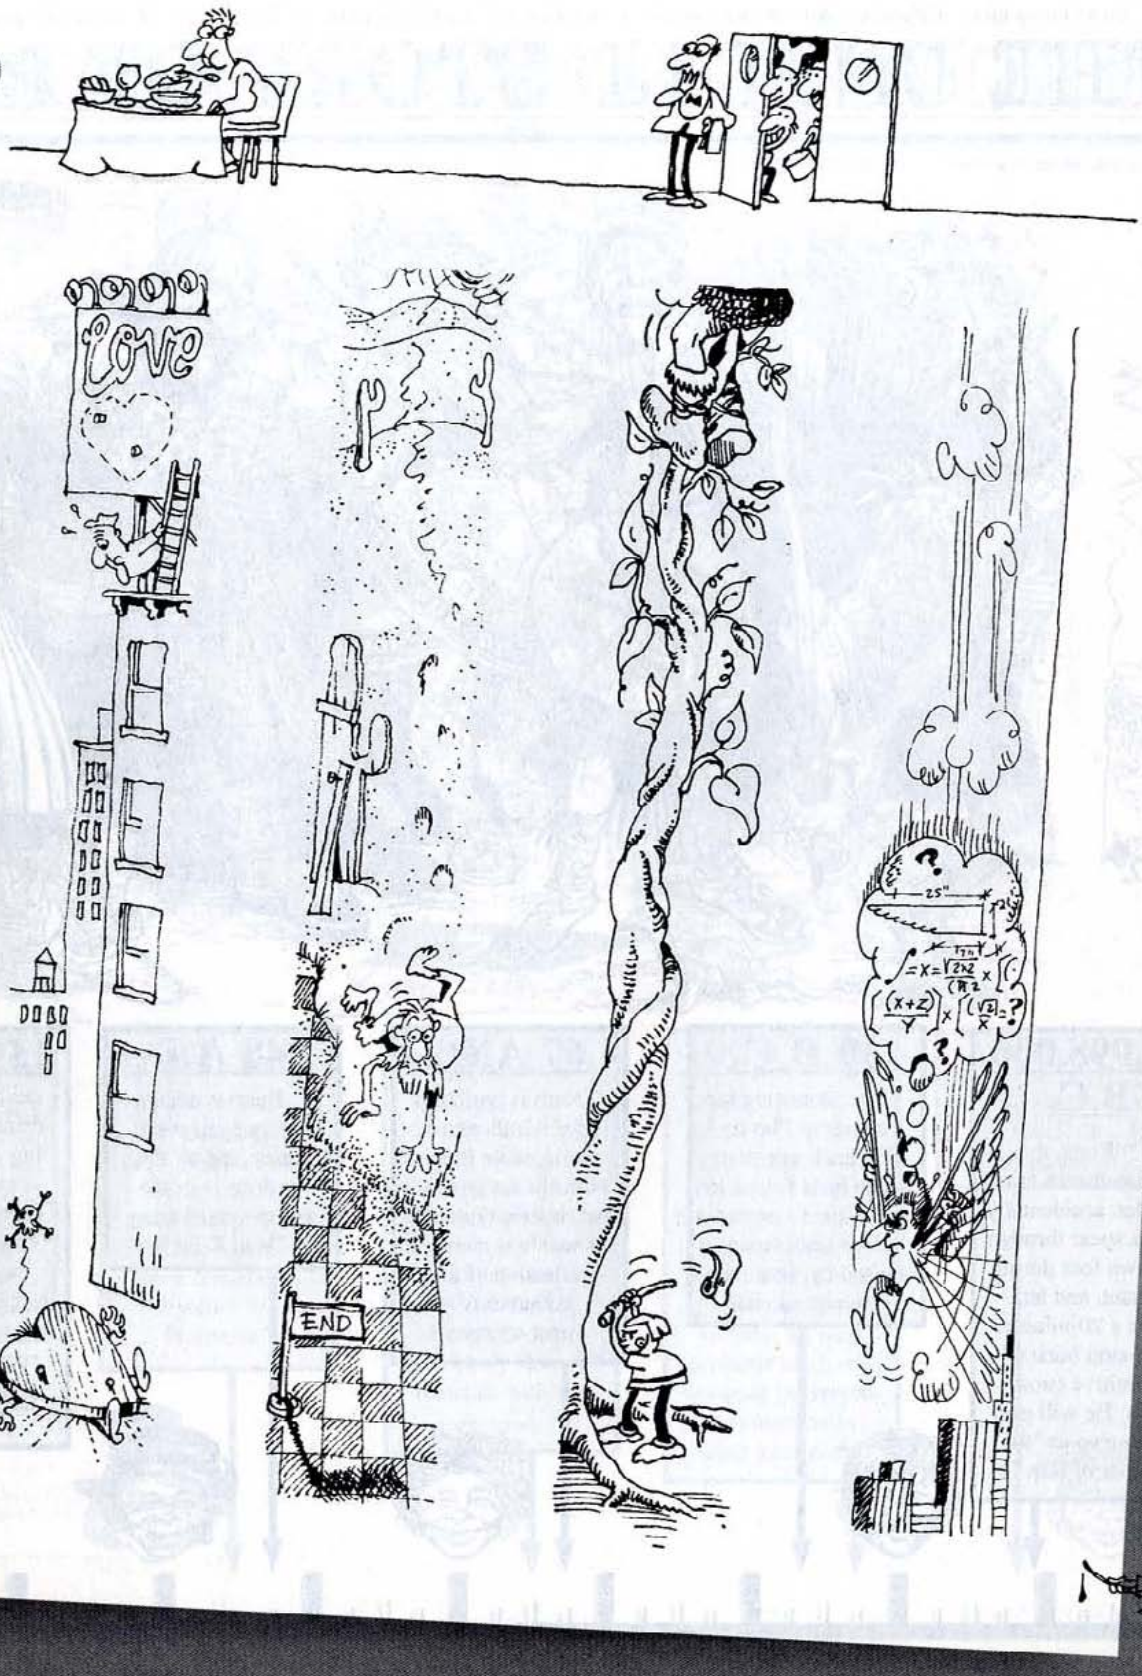




SERGIO ARAGONÉS

MARGINALS XL





Finito!
